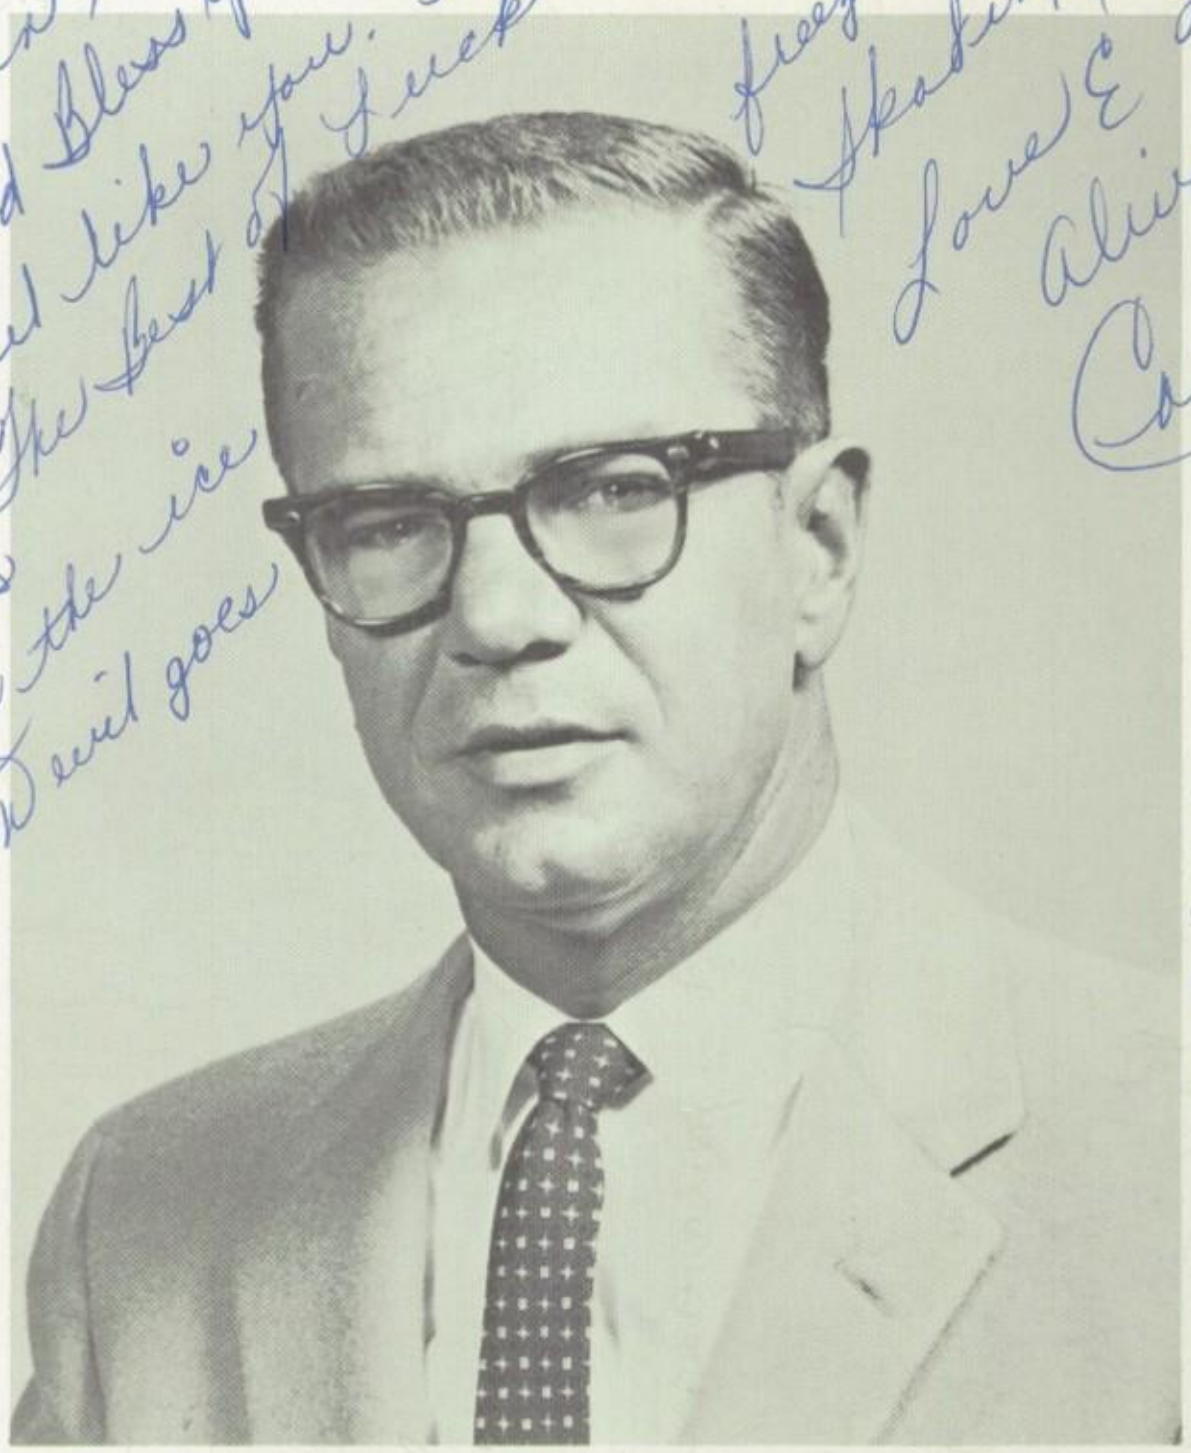
BENJAMIN FRANKLIN HIGH SCHOOL

ROCHESTER, NEW YORK



JULIAN LOWELL—1913-1963

I shall pass through this world but once. If therefore, there be any kindness I can show, or any good thing I can do, let me do it now; let me not defer it or neglect it, for I shall not pass this way again.

Etienne de Grellet

Ceremony has touched our lives and our hearts: so began the Senior year for the Class of '64 with Franklin's traditional flag raising ceremony, and now we ready ourselves for the final ceremony of leave-taking, our graduation. With us we shall take what wisdom and character we have gained during our years at Franklin, and in gratitude we present this yearbook as the visible evidence of that intangible Franklin Spirit which has molded and influenced our lives.

Willard A. Sabin
Principal

Congratulations to each member of the senior class and to the staff of *The Key* of 1964! *The Key* well represents some of your goals and successes. May each member of this Class realize in the years ahead many more dreams come true because of his good years at Benjamin Franklin High School.

Willard A. Sabin

Having come to know you a little this year, I wish I had known each of you better. You leave behind you an impressive record of accomplishment. You leave with treasures of knowledge and skills and the demonstrated intention to use these in a responsible manner. So used, they will bring you rich rewards of success and satisfaction. Congratulations!

The Last Will and Testament
SENIOR CLASS - 1964

We, the class of '64 of Benjamin Franklin High School, in order to form a more perfect institution, establish justice, insure domestic and interscholastic tranquility, provide for the common defense of the students, promote the general welfare, and secure the blessings of liberty to ourselves and our posterity do ordain and establish this Last Will and Testament of the Senior Class of 1964.

To Mr. Sabin we return the school and take with us a deep sense of gratitude and appreciation for the inspiration which he has given us during our memorable years at Franklin.

To Mr. Norton we leave our thanks for making our senior year one to be remembered and some cough syrup for next year's assemblies.

To Miss Rauber we leave an IBM machine to explain the IBM schedules, and quiet guidance aides.

To Mrs. Kirstein and Mr. Crane we leave four ulcers, assorted traumas, and the only remaining print of *The Man Who Came to Dinner.*

To Dr. Bloom we leave 100 burette clamps, ten volumetric flasks, a jar of burning splints, and all our "Intents And Purposes."

To Dr. Kaplan we leave our sympathy because next year's Seniors are going to be almost as bad as we've been.

To Mr. Mills we leave a gold plated waste basket to stand on.

To Mr. Polizzi we leave a student petition for longer assemblies.

To Mrs. Morsheimer we leave lots of luck in trying to get shorter assemblies.

To Mr. Fellows we leave an abundance of sophomores so that the bookstore won't go to pot when the seniors leave and a ray gun to ward off corridor aides.

To Mr. Koch we leave ten free art lessons.

To Mr. Bukowski we leave a pre-stretched tie, a bottle of butyric acid, and a polish dish.

To Mrs. Jung we leave a copy of *Civil Disobedience* by H. D. Thoreau, and a few generalizations that aren't worth a -?-.

To Miss Martens we leave a new sign: "The Appropriate Dress For School Dances Is Dungarees and Sweatshirts For Boys; and Culottes and Overblouses For Girls".

To Mrs. Redding we leave a night-stick and a paddy wagon to bring students to their homerooms on time.

To Mr. Cohen we leave a book entitled *Why Dental Appointments Should Not Be Made on Saturdays* by Rabbi Henry L. Menckenstein.

To Mr. MacConnell we leave a book entitled *How To Assign Detention Effectively* by P. C. and a long desired canoe paddle which he may use after he's read the book.

To Mrs. Morsheimer we leave a sequel to a book which she bought years ago *More Tricky Tests Guaranteed To Deflate Student Egoes* and a Quadrant Conscious Trig Class.

To Mr. Iman we leave a fellowship to M. C. C.

To Mr. McHugh we leave a book entitled *Mary Todd, My Wonderful Wife* by Abe Lincoln, and an elephant for his front lawn so he will always have "Grass Under Pressure".

To Mrs. Nolfi we leave 50 new copies of *Por Tierras De Espana* without typographical errors.

To Miss Rowley we leave shorter grammar lessons, no final exams, and a bone for Cinder Rowley.

To Mrs. Scrivens we leave 100 statements that are neither here nor there and a lifelong membership in the Mitch Miller "Thumb Club," and a "bood."

To Mr. Perham we leave a mat so he can do his pushups in comfort and a trophy for almost beating Jessie Owens. (Better luck next time.)

To Mr. Ruffino we leave loud speakers for the Senior Class that sit in the back of the auditorium.

To Mr. Wesley we bequeath some good questions to ask Sgt. Moynihan and five crash helmets.

To Mrs. Bode we leave a record skip that says, "Always, Always, Always."

To Mr. McGuire we leave a new eighth grade homeroom with lots of girls.

To Mr. Karg we leave a magic slate blackboard, a new slide rule, and a *Physics Made Simple* book.

To the girls' gym department we bequeath 220 yards of cloth for wrap-around gym suits, and basketballs that bounce more than twice.

To next year's Eighth Graders we leave shorter lockers.

To next year's Freshmen we leave a pamphlet entitled, "How to Share a Locker Without Getting Caught" by R. F. and D. L.

To next year's Sophomores we bequeath the only sure way to pass World History—"Cheat."

To next year's Juniors we leave a suggestion for the title of their Junior Prom—how about, TCARTSBA?

To next year's Seniors we relinquish our positions as top dogs. Finally, to Dr. Schwartz we leave as mental cases the seniors who wrote this Last Will and Testament.

Signed and sealed on February 1, 1964 at Benjamin Franklin High School by a host of Seniors.

NEVER BEFORE HAS IT BEEN SO NECESSARY TO KNOW HOW TO GET A JOB!

A great change is coming over America and its employment opportunities—or lack of them.

Of course, anyone's **"first job"** is to get the **basic education.** Congratulations to those who get this well done.

NOW, HOW ABOUT THE NEXT STEP?

Career opportunities in Rochester, with its many and diverse industries, commercial organizations and professions, should interest almost any student. Most Rochester companies are recognized for their high standards and advanced technology. It follows that standards for employment are too high—and a good education tops the list.

Now, here is an important angle to think about: An employer knows what kind of people he is looking for. The student ready for a career, therefore, ought to have an equally good idea of what he or she is looking for. Consulting with parents, counselors, friends, and with employers themselves will reveal what kind of positions are available in what kind of organizations. How do education, experience, and personal characteristics measure up to a given employer's requirements and standards?

An accurate appraisal of this question is the key to anyone's career. There is no door it cannot unlock—when the key fits!

Diane,

I have really only known you for one year, even though I knew you last year. What a year this has been! I've really enjoyed it and you've helped a lot. I can remember that first football game and many, many things since.

We've been good, close friends. I feel that I can talk to you and I hope that you feel the same way. It should only stay that way. I'll never forget you; remember that always.

You've got a long road ahead here at Franklin. It can be, should be an enjoyable trip; Diane... you know I wish you the best of everything in every way. (including the boys)

I hope you remember me 'cause I'll be back to visit Franklin, and you, and I hope that everything is the same between us.

Love ya,
Bob
